Research for Improved Health: Case Study Questionnaire

1. What has motivated you to participate in the partnership (your passions, values…)

2. What passions do you see shared by other members of the partnership?

3. The following questions will be used to gain an understanding about communication in your partnership/project network. All names will be converted to non-identifying numbers to preserve confidentiality.
   a. Using names of people (first & last name), who from the University team do you communicate with outside of meetings? Please list in order of most frequent communication to lesser communication.
      1. 
      2. 
      3. 
      4. 
      5. 
      6. 
      7. 
      8. 
   b. Using names of people, who from the Community team do you communicate with outside of meetings? Please list in order of most frequent communication to lesser communication.
      1. 
      2. 
      3. 
      4. 
      5. 
      6. 
      7. 
      8. 
   c. When you require information outside of meetings from someone in your partnership about this project, would you please indicate who you contact? These people may be different from those you identified already.
      1. 
      2. 
      3. 
      4. 
      5. 
      6. 
      7. 
      8.
4. Below is a list of partnership development stages. Based on this list, please rate how involved you have been in each step on a scale of (Not at all involved) to (Very involved).

<table>
<thead>
<tr>

</tbody>
</table>

6. What are the 3 most important qualities for an individual to have that makes for a good partner?

1. ___________________________  2. ___________________________  3. ___________________________
Research for Improved Health: Case Study Questionnaire

Demographic Questions:

8. What is your role in this partnership or project? What are you responsible for?

9. Please indicate the length of time you have participated in the partnership:
   - Approximately one year or less
   - Approximately two years or less
   - Approximately four years or less
   - More than four years

10. Over time, would you say your participation in this partnership has:
    - Decreased
    - Increased
    - Remained about the same

Comment:

11. Please indicate your sex:
    - Female
    - Male

12. Would you please indicate your race/ethnicity:
    - Hispanic/Latino
    - African American
    - American Indian
    - Asian American/Pacific Islander
    - White

13. Who do you represent in this partnership?
    - Community Team
    - University Team

14. Are you a partnership paid staff member?
    - Yes
    - No

15. If you are a community member, what organization do you come from?

Please consider the following table:

<table>
<thead>
<tr>
<th>Types of Trust</th>
<th>Defining Characteristic</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Critical Reflective Trust</strong></td>
<td>Trust, in this partnership, is at the place where mistakes and other issues resulting from differences (in culture; power) can be talked about and resolved.</td>
</tr>
<tr>
<td>Proxy Trust</td>
<td>Members of this partnership are trusted, because someone who we trust invited them, therefore we trust them.</td>
</tr>
<tr>
<td>Functional Trust</td>
<td>Members of this partnership are working together for a specific purpose and timeframe, but mistrust may still present.</td>
</tr>
<tr>
<td>Neutral Trust</td>
<td>We are still getting to know each other; there is neither trust nor mistrust.</td>
</tr>
<tr>
<td>Unearned Trust</td>
<td>Trust, is based on member’s title or role with limited or no direct interaction prior to this project. Examples of title or roles may include: a community outsider, a physician, or community organizers.</td>
</tr>
<tr>
<td>Proxy Mistrust</td>
<td>Members of this partnership are not trusted because someone who we do not trust invited them, therefore we mistrust them.</td>
</tr>
<tr>
<td>No Trust</td>
<td>Members of this partnership do not trust each other. It is likely that trust will not develop.</td>
</tr>
</tbody>
</table>

7a. At the beginning of your partnership, what type of trust do you think you began with?
    - Critical reflective
    - Proxy
    - Functional
    - Neutral
    - Unearned
    - Proxy mistrust
    - No trust

7b. What type of trust do you think you have now in this partnership?
    - Critical reflective
    - Proxy
    - Functional
    - Neutral
    - Unearned
    - Proxy mistrust
    - No trust

7c. What type of trust do you think you will achieve in the future?
    - Critical reflective
    - Proxy
    - Functional
    - Neutral
    - Unearned
    - Proxy mistrust
    - No trust

You have completed the partnership questionnaire!

Thank you for your time and patience, it is deeply appreciated.
